Due to unforeseen circumstances, Insurance Services (IS) will not be able to schedule the above referenced meeting during the week of September 27, 1999, in Cincinnati, Ohio. We also understand that week was not convenient for several industry representatives. We are still investigating the availability of meeting space and accommodations.

If you have any concerns regarding either of the weeks being proposed, please contact your account executive if a reinsured company, or my secretary at (202) 720-4232. You may also provide notice by E-mail, my address is: heyward_baker@wdc.fsa.usda.gov

We are looking forward to this opportunity to meet with you and we sincerely hope this change in schedule has not caused you any significant inconvenience.
